DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

As stated in the transmittal form of the Information Disclosure Statement filed 3 November 2003: the Information Disclosure Statement submitted is being filed outside three months of the filing date of the application and after the mailing date of the first Office action on the merits and any fee required may be charged.

However, the Information Disclosure Statement filed 3 November 2003 is also filed after a final rejection mailed 7 July 2003 and a Notice of Allowance mailed 20 October 2003 and the prosecution in this application is therefore closed.

According to 37 CFR 1.97(d), an information disclosure statement shall be considered by the Office if filed by the applicant after the period specified in paragraph (c) of this section, provided that the information disclosure statement is filed on or before the payment of the issue fee and is accompanied by: (1) The statement specified in paragraph (e) of this section; and (2) the fee set forth in 1.17(p).

The statement specified in paragraph (e) of 37 CFR 1.97 has not been included with the Information Disclosure Statement filed 3 November 2003 and therefore, the IDS has not been considered.
